

MINNEAPOLIS VASCULAR PHYSICIANS

is proud to welcome
a new member of their team

PAUL REHA BUTROS, MD.

WHERE WILL YOU *Find Him?*

Dr. Butros is a Board Certified and Fellowship trained Interventional Radiologist who will work at **North Memorial Medical Center, Minnesota Vascular Surgery Center, and the Minneapolis Vein Center.**

WHAT *Drives Him?*

His areas of expertise are in performing minimally invasive, targeted image guided procedures especially in the field of Interventional Oncology, including catheter directed liver therapies and thermal ablation. He is also passionate for taking care of and treating patients with complex peripheral arterial disease. He has been widely published in the field and aspires to continue to provide the best possible care to his patients, serve the community, and be at the forefront of technology and innovation in the years to come.

AVOCATION AND *Interests*

Dr. Butros is happily married to his high school sweetheart, Asli. They have a 16 month old son, Alex and a golden doodle, Einstein. In his free time he enjoys sailing, swimming and bicycling. As new Minnesota residents, they are exploring the parks, trails, and the restaurant scene while enjoying all of what the Twin Cities has to offer.
