SENATOR GANDRUD

Legislator and Community Leader Had Resided in Kandiyohi County For Forty Years

Funeral services for the late Peter A. Gandrud have been set for this (Thursday) afternoon, October 3, at the home in Sunburg. The service is in charge of Rev. H. E. Baalson.

Mr. Gandrud died at a Willmar hospital shortly before four o'clock Monday afternoon. He had been a patient at the hospital for about two weeks. He suffered a heart attack at his store in Sunburg Saturday, September 14. He had been seriously ill since that time, though he had rallied at times sufficiently to give hope for his recovery.

The death of Senator Gandrud marks the passing of one of Kandiyohi county's leading citizens. That is indeed a modest statement. He was a community builder. His public service included that of representative for Kandiyohi county in the state legislature and two terms in the state senate representing the Kandiyohi-Swift county district. In all capacities he served with marked ability and a singleness of purpose for the public good.

P. A. Gandrud was born on a farm in the town of Wheeling, Rice County, Minnesota, on April 27, 1868. When three months old, his parents Andrew and Gertrude Gandrud removed to a homestead near Glenwood, Minnesota. He attended the rural school in the community and at the age of 14 entered the Glenwood Public schools. At the age of about 17 he was a freshman in the first year of the history of the Glenwood High school. His first years in schooling were in farm homes, the annual schooling being about three to five months. On October 14, 1882, he was confirmed with his class at the Gilbertson school house in Barsness Town, Pope County, Beginning with 1889, he taught school in the rural schools of Pope County for two years. In the spring election of the Glenwood Town in the year 1890 he was elected town clerk and was re-elected the following year. In 1892 he joined with Mr. K. H. Moen in the general mercantile business at Sunburg, Minnesota, in which business he continued to the date of his death. In 1893 he was elected Justice of the Peace for Norway Lake Town, Kandiyohi County, Minnesota; and in 1895 he was elected Chairman of the Board of Supervisors of the same township, in which capacity he served for several years. In 1897 he was appointed Postmaster of the Sunburg Post Office and served for eight years. From 1897 to 1914 he was the Clerk of the Board of Education of his District. In 1900, 1902 and 1904 he was elected to the legislature of the State of Minnesota as representative from Kandiyohi County. In 1914 and again in 1918 he was elected to the State Senate representing Swift and Kandiyohi Counties. For several years past he has been President of the Monson Lake Memorial Association and has also served as President of the Kandiyohi County Old Settler's Association and other civic associations. He assisted in the promotion of several business enterprises in his community.

BANDIT TOOK "BABE" DENZER FOR A WALK

Lone Robber Makes Quick Work of A Stick-up at Northwest Oil Company Station

Shortly after nine o'clock Sunday a lone bandit stepped into the Northwest Oil Company filling station on Tenth Street just north of the Great Northern tracks and pulled a high-speed stick-up. The robber made his visit at a time when there were no patrons at the station.

"Babe" Denzer, the night attendant, was alone when the bandit stepped into the office, announced that it was a stick-up and demanded the money. Well—there was the money right in front of him and there was the "cannon" that the bandit was pointing at the attendant, close range. So the money, about twenty dollars, changed hands.

"Babe" was then told to step outside and directed to walk down the railroad track. The bandit followed him some distance, covered him with the gun, told him to "keep eyes front" and then slipped away into the night.

After this performance "Babe" hurried back to the station and notified police. There seems little prospect of apprehending the robber who is described as 35 or 40, about 5 feet 8 inches tall and was unshaven. The robber wore a cape which he pulled down over the upper part of his face while "employed" on the job.
